Goodbye, John

><p><strong>Goodbye John<strong>

I see you as I softly float away.

I feel myself torn to bits, but I still think only of you.

You are so wonderful and you are embraced by me.

We have been through so much.

On Halo you fought Covenant and Flood while I led you to your destination.

Killing Prophets and searching for the Index on a Covenant ship, you and I are connected always.

We've been through so much, we're best friends, you and me.

Oh, John, my love, be safe always.

Live long and happy for all of time.

Maybe, I'll see you again one day on the other side.

Until then, I will always be a part of you.

Oh, goodbye, John.

End  
file.
